Devotions were led by Pastor Mark Dressel. The minutes of the 2014 Annual Meeting were reviewed by those in attendance. TREASURER REPORT:

Jamie reported that our income for this church year was \$249,978.91,067.94 – slightly down from last year. Expenses for this church year totaled \$253,502.33. The expense total reflects/includes only normal expenditures, no big purchases were made this year. In summary, the report shows a \$3,523.42 deficit. At this time, Trinity has a surplus of approximately \$50,000. The congregation thanked Jamie and Kim for their continued gift of expertise and time and thanked the congregation for its continued support of the operation and ministry of Trinity Lutheran Church.

The 2015/2016 budget presented by the council:

- **Projected Income:** \$253,151.00 – a 1.9% increase.
- **Projected Expenses:** \$268,171.89

These numbers reflect the following:

- Reduced parsonage repair (last year – flooring)
- Increase benevolence giving by \$1000 (total – 19,000)
- Remove three lines from budget – Sunday School Service projects, Nursery, Family Promise
- 4% increase for Pastor – exceeds synod guidelines
- 1% salary increase for staff

Summary: The 2015/16 budget reflects a \$15,020.89 deficit.

QUESTIONS:

What is the physical plan for the coming years?

- 7 Furnaces that are all the same age. They are functioning and we will try to keep them going, but it is something to keep in the back of people's minds.
- How big of a deal is it to pass a negative budget?
- Pastor hopes that last year was a big of an fluke. Haven't pushed for cash since the last budget crisis. Hoping that people who are able will step up and help the church. Even if we take a deficit, we have three years to make up this change.
 - Mae Laatsch suggests a weekly “What it would take to bring the church up from the deficit?” And per member.

Motion to accept the 2015/2016 budget presented by Council as is by Charley Pinckney, second by Mae Laatsch. Motion passed.

No New Business.

Pastor closed in prayer.

Motion to adjourn made by Drew Schoeneck, Shawn Cannon. Motion approved.

PASTORAL REPORTS FOR THE 2015-2016 YEAR

Dear Friends:

As I sit down to write this annual report, I find myself tempted to simply provide a list of numbers and events. In some ways that's what a report is. It's the official record of what happened in the previous year. In another way, however, I realize that simple lists and numbers do not come close to conveying what God does through Trinity.

As I think back on this past year, I realize the moments that stand out to me are not the attendance figures and financial reports (as important as those may be), but the moments when Trinity people have used their gifts to help one another understand and connect with God.

For instance, this year we had planned to change the structure of Sunday School in an effort to make it more interactive for the kids and less cumbersome for the adults. To that end, we decided to move from a traditional classroom style of instruction to a rotational style very much like Vacation Bible School. It sounded good, but how would it work?

Effectively, we more than doubled the number of adults involved while dividing up the duties among them so that each has less work. Now, instead of focusing on one Bible account per week in a single classroom, the kids experience a Bible passage four ways over two weeks.

FEEDING LOCUSTS TO
JOHN THE BAPTIST

On one of the early weeks, I took a tour of the stations. Outside, I found the "games" area. Darien Dierkes and Jeff Byrum, with Chad and Ashley Patrick and shepherd Julie Hornby, were watching Zach and Luke Byrum kneeling down with plastic cups in their mouths, while blindfolded students stumbled around trying to place gummy bears in the cups. "What are they doing?" I asked, baffled. Jeff responded, "They're feeding locusts to John the Baptist."

Then I went inside to the craft area where Kirsten Menzies, Jenny Koester and Monica Hepp, with shepherd Shelley Quandt, were focusing on John the Baptist's message. They had a table covered with crayons and paper plates, while on the board were phrases like "Shout the good news," "Jesus is coming," "Jesus is the Messiah," and "Repent!"

SUNDAY SCHOOL CRAFTS

I realized that it was working. The teachers were using their creativity and gifts to help our kids experience Bible events and meet Bible characters from different points of view so that the children could understand God's work more fully.

PASTORAL REPORTS FOR THE 2015-2016 YEAR

I love moments like that, when people are using their gifts to help themselves and others connect with God. And there were a myriad of them throughout the year.

I remember when our high schoolers were at Twin Oaks Homeless Shelter over the summer. Kyle Gums took the opportunity to teach a young man to throw a football spiral while Kara Sanders was pushing other kids on a swing. They were using their gifts to show love in Jesus' name.

HIGH SCHOOL MISSION TRIP

LIVING LAST SUPPER

I remember rehearsal for the Living Last Supper. Linda Disch had asked everyone who was moving to freeze and a deadpan voice asked "Is it I?" (echoing the question each character asks as he considers if he is the one who will betray Jesus). It was a funny moment of faith growth when the fact that their Biblical characters were real live people with feelings and a sense of humor took on life.

I remember talking with Katie Reinfeldt as we scheduled her daughter's baptism for the day of the congregational picnic service at Korth Park. I told her that we'd be happy to do it, but warned her that it would not be in the church building. She responded

that her daughter had come into the world in an unconventional way (being born at home before they could start for the hospital) so she might as well enter the church in the same way. It was an amusing acknowledgement that life is unpredictable and the work of the church extends beyond the walls of the church building.

BAPTISM DURING CONGREGATIONAL PICNIC AT KORTH PARK

Moments like these, where our relationship with God impacts our daily life, help convey what Trinity "is" as much as the facts and figures that attempt to quantify the events of a year.

That being said, facts, figures, and significant events do make a difference. So here are some from the past year:

- 95 kids and 73 adults kids took part in Everest Vacation Bible School. This year we encountered rain and thunder for the first time.
- 91 children and 28 adults took part in Sunday school, which began with ever popular Friendship Fair and included the Sunday School Christmas Program "Arise, Shine."
- 20 people and one dog took part in the Town and Country Days parade, handing out water and fliers for Vacation Bible School.
- 14 people participated in Second Sunday Prayer throughout

PASTORAL REPORTS FOR THE 2015-2016 YEAR

the year.

- Pastor Kara Smith-Laubenstein was a great blessing to the ministry at Trinity through much of the school year until she accepted a full-time call at First Presbyterian Church in Libertyville, Illinois in March, 2016.
- 49 students and 11 adults took part in Youth on Wednesday. In addition to weekly classes, they held a fall lock-in and a spring food scavenger hunt (which collected 1,430 pounds of food for the food pantry).
- 11 students went on the High School Mission Trip and 17 participated in Senior High on Wednesday. They held a new "Super Bowl Sub Sandwich" fundraiser, and went on a ski trip. Chad Patrick and Jeff Constable have agreed to facilitate the group next year.
- Numerous people took part in Worship band, Bluegrass Sunday, Advent Cantata, Adult and Children's Chimes, Adult Choir, Youth Choir, Middle and High School Choir. We were blessed with a great deal of musical leadership in the form of Drew Schoeneck, Linda Disch, Betty Oertel, Kim O'Leary, Megan and Jeff Sauter, Leah Fritsche, Sarah Hafenstein, Linda Branzolewski, Jamie Syvrud, Monica Hepp and others.
- 13 presentation teams took part in the Friday night "Jesus Expo." The presenters felt that we could easily do a similar event next year between Sunday services.
- 16 people tend to take part in Ladies' Lunch Out in any given month.

- 14 children took first communion.
- 8 young adults were confirmed.
- 12 high school seniors were presented with senior blankets.
- 60 people helped raise \$4,000 for the food pantry through the Christmas Tree sale.
- Trinity's Dartball team took second in league and second in tournament.
- Wine, Women and Word and Sarah Circle worked for spiritual growth.
- 9 people received home Holy Communion through the efforts of our home communion teams.
- And much more.

Thank you all for the ministry you do on behalf of our Lord Jesus, and thank you for making Trinity part of your faith life.

Blessings,

Pastor Mark

COUNCIL & COMMITTEE REPORTS FOR THE 2015-2016 YEAR

PRESIDENT - MONICA HEPP

Fellow Trinity Family,

It has been an honor to take the role of your Church Council President this past year. It was a title that was a bit daunting and out of my comfort zone to be honest. The Lord eased my anxiety with guidance from Pastor Mark and a great group of Council members. It just goes to show what a great family we are among.

I see and hear about people supporting each other in all areas and it makes me smile. If you think to yourself that our faith community as a whole doesn't need you in some way because it's all 'taken care of', think again. We can ALWAYS use your time and talents. No matter the area – music, technology, worship, Sunday school, coffee hour, behind the scenes help with functions or just donating a gallon of milk, it ALL counts. The more we lean on each other and lessen the load the more time we all have to praise God together and have fun in His name. If there's anything I learned this past year amidst the busy schedule, tight budgets, loss of beautiful souls, project planning, etc., it's that we NEED each other. And Christ wants to be there with us. He is always delighted at our invitation to include him in ALL of our daily activities.

I'm excited for Pastor Mark as he takes a much needed sabbatical during the summer months. This is a time for him to nourish his spirit and deepen his relationship with God, himself, his family – a summer of spiritual growth. Since being on the call committee that

decided Mark was the right fit for Trinity – he has kept our Trinity family his top priority. This naturally comes with exhaustion and he needs to recharge. Please keep him in your prayers because although he may be 'off-duty' for the summer, it does not come without worry on either end.

Our prayers also need to continue to be with our Building Committee as they forge forward plugging away at all the options associated with Project Renew. I'm excited for our Trinity family and what we can accomplish together. We are strong and our future together is bright because of our love for one another.

In all things God works for the good of those who love Him, who have been called according to His purpose. Romans 8:28

COUNCIL & COMMITTEE REPORTS FOR THE 2015-2016 YEAR

TREASURER - JAMIE STOCK

The 2015 – 2016 annual budget passed during the June 2015 annual meeting with a projected income of \$253,151 and budgeted expenses of \$268,172. Although this was a projected deficit of over \$15,000, the council and congregation was hopeful that we would continue to come in under budget on expenses while seeing spiritual and financial growth.

The financial results for the 2015 – 2016 fiscal year included \$257,265 of income compared to \$253,950 in expenses. This left us with a small surplus of \$3,315. The level of expenses was almost the same as the prior year. The main difference was the increase in income this year. We commend and thank the staff for their continued efforts to control the level of spending and using our fiscal resources wisely and also the congregation's increased generosity.

The month by month income and expenses can be found in Exhibit A and the month by month expense compared to budgeted expenses can be found in Exhibit B.

(PLEASE REFER TO THE NEXT PAGE FOR EXHIBIT A AND EXHIBIT B)

Financial highlights from the 2015 – 2016 fiscal year include:

- Funding staff salaries including benefits and operations ~\$14,000 below budget

- Retained Kara Smith-Laubenstein as Associate Minister and the Youth of Wednesday Coordinator due to gifted funds
- Passed on \$20,884 to the greater church from our operating budget and individual contributions
- Paid out one Trinity Note in the amount of \$1,000
- Paid \$1,635 in block income to the mortgage principle
- Added \$500 to the funds we are saving for a sabbatical for Pastor Mark
- Added \$1200 to the funds we are saving for the future purchase of a new copier
- Ended the year with an estimate surplus just under \$53,000
- Increased the net worth by more than \$43,000

We thank everyone for their generosity, volunteerism and continued commitment to the ministries of Trinity! We pray that we continue to grow as a congregation both physically and spiritually and continued to be blessed with great volunteers and staff. As you evaluate your giving in the upcoming year, consider your blessings and all the great things that are going on here at Trinity and beyond our walls.

COUNCIL & COMMITTEE REPORTS FOR THE 2015-2016 YEAR

BUILDING & MAINTENANCE COMMITTEE CHAIR– DAN ZASTROW

This has been an amazing year with so many members stepping up to help take care of the day to day needs of our church home! Those daily needs cared for by church volunteers include: cleaning, lighting issues, yard /flower bed work and video/tech items (this has become a new committee headed up by Mike Branzolewski and Shawn Cannon). We have been blessed to have so many giving hands.

One big building and maintenance item for this year was a new furnace that needed to be replaced 2 days before Christmas.

We received some money given to us by member who passed. This money was going to be used to spruce up the kitchen as she was a big part of our kitchen staff. When we started looking at the needs of the kitchen this led to an evaluation of our whole church. This grew into Project Renew. Jenny Koester graciously volunteered her talents as a remodeling expert in the hotel chain business. We are now coming up with a plan for giving our church home a face lift in order to better appeal to our visitors and keep our space looking like a warm inviting space for our members. Pastor has set up a link on our website for suggestions that congregants can voice their big ideas for our church. Our Project Renew committee members are: Bob Dimperio, Mark Jothan, Mike Branzolewski, Shawn Cannon Deanna Cannon, Jody Medenwaldt, Julia Wolfgram, Aaron White, Pastor and Dan Zastrow.

Feel free to let me know if you see any issues concerning maintenance that need to be addressed.

EVANGELISM COMMITTEE CHAIR– CRAIG CORSTEN

Looking back at my three years on Church Council, the most rewarding thing has been my year serving as Evangelism Chair.

One of the most important, and rewarding, parts of being Evangelism Chair is assisting with new member orientation sessions. It has been a pleasure and blessing to help welcome new families into our Church family. I've loved hearing the stories from new members on how their life path led them to Trinity! People come to us from all sorts of faith and personal backgrounds. But they all share the desire to grow in faith.

Over the last year and a half, Trinity has welcomed 40 new members through our new member orientation sessions. Trinity has also welcomed 19 new members through Baptism in the last year and a half!

We are blessed as a congregation to have so many families and individuals choose us to help them grow in faith, and every new member we receive helps each and every one of us grow in faith as well.

Submitted in faith,

Thank you to everyone for a wonderful year of worship services. All of your hard work and faith shows in each and every service. Because of your gracious efforts, we experience the wondrous words of God in new and exciting ways each week. Thank you to all who participate with the special gifts that you share.

This includes: Linda Disch and Kim O'Leary tickling the ivories every week. Drew Schoeneck directing the talented band and singers. Betty Oertel directing the choir and hand chimes. Also, Megan and Jeff Sauter conducting the children's hand bells. Linda Branzolewski, Sarah Hafenstein, and Leah Fritsche for the outstanding work with the children's choir. Also thanks to Deanna Cannon for all the help with power point presentations and church bags. Last but not least, a hearty handshake to the people behind the scene recording the services for everyone to enjoy and spread God's word. This includes Shawn Cannon, Darien Dierkes, and Steve Nass. Also, a special thanks to the alter guild and greeters who make everyone smile as they enter the house of God.

Some of the new and exciting changes for this year include the way we spread our faith. Trinity has added new video equipment and now has the ability to stream worship services to the internet for the enjoyment of everyone.

Thank you once again,

AUDIT COMMITTEE – KATHY BAHNER & MAE J. LAATSCH

Dear Trinity Lutheran Church Council:

On May 25, 2016 the Audit Committee consisting of Kathy Bahner and Mae J. Laatsch audited the financial records of Trinity Lutheran Church for the time period of May 1, 2015 through April 30, 2016. The audit committee would like to congratulate you on the completion of the recommendations of the 2014-2015 Audit Committee.

We, as the Audit Committee wish to make some recommendation based upon the audit results.

Recommendations:

1. The monthly statement should include notes as the transfer, closed, and establishment of new accounts. It was difficult to find where the funds when in the closing and establishment of new accounts.
1. It would also be helpful for the audit committee if there was a description of each account, rather than just a listing.

The Audit Committee found the financial records of the church to be very well organized and in good order.

Feel free to contact the Audit Committee members with any questions that you may have.

Sincerely,

TRINITY PINES ANNUAL REPORT FOR THE 2015 YEAR

**Trinity Pines Retirement Center Inc.
2015 ANNUAL REPORT TO MEMBERS**

**To the Voting Members of Trinity Ev. Lutheran Church of Lake Mills
and residents of Trinity Pines Retirement Center**

The inspiration for Trinity Pines Retirement Center (The Pines) arose in the mid 1980s when the members of Trinity Lutheran Church sought a way to extend their mission to the community through the use of a vacant section of land adjacent to the church. Church members saw the need for a retirement facility to allow Lake Mills area residents to retire in the community where they had been living and remain close to their friends and family.

The Pines was established as a non-profit corporation as a ministry of Trinity Lutheran Church, providing older persons and persons with disabilities housing and services specially designed to meet their physical, social, psychological, and spiritual needs and to promote their health, security, happiness, and usefulness in longer living. The facility is open to all, regardless of church affiliation.

The Pines features a combination of 39 apartments with 1 and 2 bedroom floor plans, community dining room and kitchen, library, activity and craft space, laundry facilities on each floor, billiards room, exercise room, and underground heated parking. A ten member volunteer Board of Directors, with representatives from the Church, residents, and the community, provides general oversight with operations under the direction of the Managing Director, Ann Lee. The Board and Ann are committed to our mission and to balance the independent

living needs of our residents with the need for a loving, caring community.

This is a great time to acknowledge and thank all of the residents who volunteer their time and energy to help keep things up around here. The participation and willingness to help is greatly appreciated.

Occupancy of the Pines remained high in 2015 with a rate of 100% at year-end. The current waiting list includes 5 prospective residents. Currently, there are no immediate openings so if you or anyone you know is interested, now is the time to get on our waiting list. The most common phrase new residents say is “I wish I would have moved here 10 years ago.”

I am happy to report that the organization is solid financially. For 2015, our net income was over budget thanks to the steady occupancy rate. In March we entered a new financial arrangement with Bank of Lake Mills and paid off the original mortgage with the Wisconsin Housing and Economic Development Authority (WHEDA). WHEDA was a partner in establishing the Pines, but we now enjoy more favorable terms and an available borrowing cushion from our local bank if needed.

The expansion and common area remodeling project was completed this spring. Improvements to dining, lounge and library have enhanced the warm comfortable atmosphere and the new covered walkway is both practical and welcoming. The upgrades to the individual apartment kitchens, bathrooms and lighting as well as heating and air conditioning have made a significant difference. Due to our

TRINITY PINES ANNUAL REPORT FOR THE 2015 YEAR

new financial arrangement, we were able to provide funds for this work without raising the rent for current residents.

A brand new feature for this year was the creation of 6 standing planter boxes, designed and built by local scout Shelby Riggleman as his Eagle Scout Project. This will allow residents to enjoy some manageable gardening at their leisure.

Moving forward, we have organized a Planned Replacement Schedule for the appliances and carpeting in the apartments, based on a combination of age of appliance and longevity of residency of the tenant.

In October, at the Lake Mills Area Chamber of Commerce Annual Meeting, Trinity Pines was recognized as “Business of The Year.” We are all proud of this honor.

The Managing Director and staff continue to develop and put in place nutritional, social, and educational programs for the benefit our residents. During this year, a food service committee was established with residents and staff. This collaborative effort in menu planning and delivery has resulted in increased satisfaction and utilization of the weekday meal program. It also helps residents understand first-hand the relatively complexity. The recent availability of carry out meals on weekends has been well received.

Again in 2015 there was a high utilization of the many activities available to both our residents and other members of the community. A wide range of social events, entertainment and educational programs

were offered this year. These included both organized activities and just plain spur-of-the moment fun! Through these different programs, social opportunities for our residents are improved and the community’s awareness of The Pines is enhanced.

Our updated logo, marketing materials and web presence for The Pines reflects our optimism for the future. This refreshed branding and image has tied in nicely with the refreshed building and apartments. If you don’t already, please “Like” us on Facebook to follow along weekly with the fun happenings which give a glimpse into the life of residents. Also, if you would take 2 minutes to write a review of us on our Facebook page, that would be appreciated.

I encourage members of the congregation to become acquainted with this remarkable community asset that has been serving the community since 1988. Tours of the building will be available following the annual meeting or by contacting Ann Lee. See for yourself the exciting and refreshing changes at The Pines!
